

Services

For Schools

LEADERSHIP APPRAISAL

Ideal for aspiring or current headteachers, we take a 360 degree assessment of skills in line with standards. This process anticipates where improvement is needed, whilst identifying the strengths that will shape your leadership.

SCHOOL PERFORMANCE MANAGEMENT

Supporting strategic goals, we engage the school community in creating a culture ultimately rooted in strengths-based achievement. We promote collaboration across teams and roles, creating a robust framework for continuous improvement.

DEVELOPMENT TRAINING

We offer customised training days and twilights to meet the specific needs of your school community. Our services encompass tailored workshops, team building activities, strategic planning, guest speakers, and facilitated audits.
